

Kansas Capital Quilter's Guild- Quilt Show Entry Form (1 item per form please)

Deadline for quilt entry: 1st Meeting in August

Exhibitor: _____ Phone: _____

Name of Quilt: _____

(Make sure the name matches the label that is sewn onto the back of the quilt)

Quilter: _____

Pattern name and/or workshop/class name: _____

Year completed: _____ Size: Top _____ Side _____

(Sleeve must be sewn to the top of the quilt)

___ Large Pieced (sides greater than 76", top greater than 66")

___ Small Pieced (sides between 25-75", top between 25-65")

___ Large Mixed (same as above)

___ Small Mixed (same as above)

___ Miniature (Top max 24", sides max 24")

___ Miscellaneous _____

(If there is confusion as to the correct category, it will be determined by the Quilt show chair)

Brief history of the quilt: (made for someone special, part of a class, special technique, type of batting) Description must fit on the lines provided

Quilts larger than 24"x 24" must have a 4" sleeve sewn to the top back for display. If there is not a sleeve and a label, the quilt will not be hung in the show.

Quilts cannot have hung in previous guild quilt shows unless they belong to the featured quilter.

I acknowledge that the guild is not responsible for any damage to my entries for this show

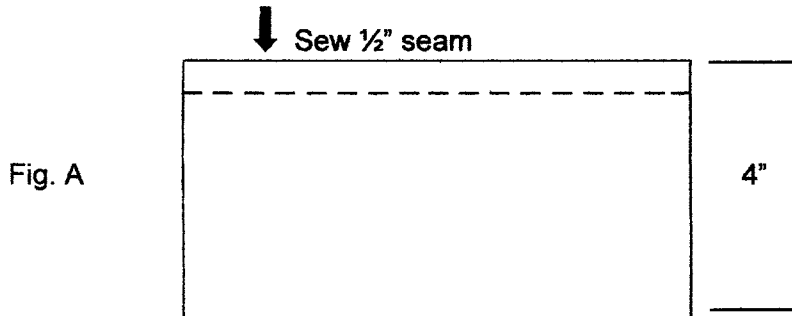

_____(entrants signature is required here)

If you are entering more than 1 quilt in the show, please rank them in case we have an abundance of quilts.

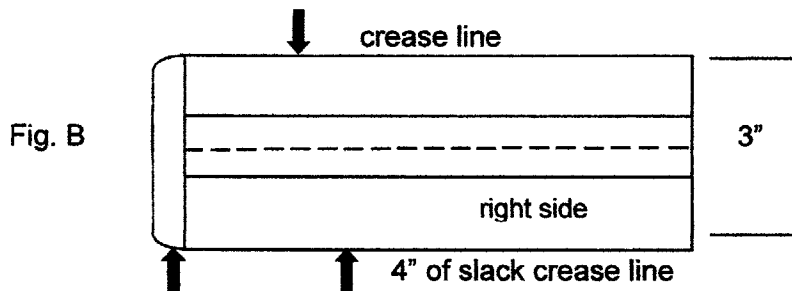

Tailoring a Sleeve for Your Quilt

Any quilt or wall hanging entered in the show should have a sleeve – tube of fabric – attached to the back, at the top, allowing it to be hung.

Cut a strip of fabric (muslin or other fabric) 8" wide and an inch longer than the quilt edge to which you'll attach it. Machine sew the long edges together with the wrong sides together, making a $\frac{1}{2}$ " seam (see Fig. A). Hem ends for a neat appearance.

Lay the tube on your ironing board so that the seam is up and centered. Press the seam open. Then press two crease lines, each $1\frac{1}{2}$ " away from the center seam. There will be 3" between the two crease lines closest to the long seam, leaving 4" of slack (see Fig. B).

Place the seam side down and pin the top crease to the top back of your quilt, leaving about 1" between the top of the sleeve and the top of the quilt. Slipstitch the tube to the backing fabric. Sew along the tube's two creases, allowing the 4" slack to hang free. If you are hanging a large quilt, it is recommended that you make your stitches go through the front of the quilt to help support the quilt better.

NOTE: Sleeves must be sewn onto the quilt, NOT PINNED. All small and large quilts must have a sleeve sewn on that allows at least $3\frac{1}{2}$ " of space. SMALL AND LARGE QUILTS WITHOUT SLEEVES OR SLEEVES THAT ARE TOO NARROW WILL NOT BE SHOWN. Sleeves are not needed for the Mini Quilts.

SMALL AND LARGE QUILTS WITHOUT SLEEVES OR SLEEVES THAT ARE TOO NARROW WILL NOT BE SHOWN.

Sleeves are not needed for the Mini Quilts.

Pole size 7"

This is the size of the pole we hang your quilts on. The pole is 7" around. This is why we ask you to cut your sleeves 8" wide. This allows/or seam allowances and ease in hanging the quilt.
